

St Mary's R.C. Primary School

Newsletter: Friday 28th September 2018

Our Pupils of the Week today:

Nursery, Reception and Year 1: Łucja Glowczyk

Year 2, 3 and 4: Libby Thomas

Year 4, 5 and 6: Ieuan Shalar

We have two clubs beginning this week - Well-being will be every Wednesday and Sports Club every Thursday. These clubs are for pupils in Years 3 to 6 and we intend to offer different clubs during the year.

Thank you to everyone who supported our Macmillan Cake and Coffee event today by donating cakes and biscuits, and by joining us after school. We raise a total of £90!! A fantastic effort and many thanks to Mrs Thomas for organising the afternoon with Kyla, Chloe and Phoebe, and to everyone who helped out.

There will be a PTA meeting (weather permitting) on the Parish field on Monday after school. All parents are part of the PTA and if you feel you can help please come along. The Halloween disco and Christmas event are being organised and many hands make light work.

Next week Year 5&6 will be having a link visit from Mrs Roberts from St John Lloyd School. They are holding their open evening for pupils in Years 5 and 6 on Thursday 4th October at 7pm. It is a great opportunity to go along and meet the staff and visit the school!

Could all parents check the uniform they have at home - we are missing a clearly labelled school sweatshirt belonging to Cherish!

The school has signed up to 'The Giving Machine'. By signing up to this website, a donation is made to the school each time you shop online! There are over 2000 online shopping sites to choose from and each time you shop (at no extra cost to you) a donation is made. As a user you can select St Mary's as a cause to support in the following ways:

Our fundraising page is:

<https://www.thegivingmachine.co.uk/causes/st-marys-rc-school-carmarthen>

We also have a quick sign up code which is: 266075

By visiting their website you are able to read more information about how it all works at www.thegivingmachine.co.uk
